You can help to make a house a home for our participants at Little City!

Our goal is to purchase these items to raise the quality of life in our homes. Each item on our list will be used by our residents each and every day. Many of our children and adults do not have family members to provide these items, so we must look to the community for help.

Our participants like to have new items to call their own. When you give your donation and identify the Wish List item, we will make the purchase of that item.

Please contact **Ann Bechtloff** at **847.221.7810** or **abechtloff@littlecity.org** and identify the item on the Wish List that you will sponsor. Payment can be made with a credit card or a check! We would also be happy to send you a picture of the item being used in the home!

We will update these lists monthly, so check back with us!
