

Foster & Adoptive Parent Orientation

Thank you for taking the time to review the enclosed information. If you feel that you have the time and desire to partner with Little City Foundation to care for children with special needs—specifically children with moderate to severe intellectual and developmental disabilities—in your home, please join us for an informational orientation.

Orientation sessions are hosted the third Wednesday of every month.

You will have the opportunity to learn more about the agency, our needs, our commitment to you and the children in your care, and your commitment to change the life of a child. We are looking for exceptional families!
